About Us

Having rich industry experience of more than 2 decades, we, Transmatix, are able to meet all the requirements of our clients. We are a registered partnership firm engaged as a manufacturer, exporter, supplier, trader and dealer of a wide array of Planetary Gear Boxes and other products. We initially started as a dealer representing various manufacturing companies for their Gear Boxes. From the year 2002, we started manufacturing our own range of Planetary Gear Boxes, Gear Boxes, Gear Drives, Geared Motors, Non-standard Special Gear Boxes, Custom Built Gear Boxes, Winches, Torque Limiters, Planetary Creep Drives, Automatic Wire Decoilers, and more.

The company is headed by its partner, Mr. Satish Dharap, who has completed his M.Tech in Production Engineering from IIT, Bombay, and is dealing in Planetary and other types of Gear Boxes for the last 21 years. Some of our associates include M/s Laxmi Hydraulics Pvt. Ltd. & M/s Trasmital Gear India Pvt. Ltd.. In order to provide our clients with the best, stringent measures are followed throughout the manufacturing and procuring processes. Today, we are catering to the needs of the defence industry and also OEMs for various applications such as conveyors, material handling equipment, mixers / agitators, reactors, capstan drives, SPMs, food & pharma machinery, construction machinery (batching plants), process equipment, etc.
